ABOUT ME

With nearly 2 years of experience in Internal Communications, HR Administration, and Office Operations, I have developed strong capabilities in employee engagement, internal event coordination, workplace communication, and administrative operations.

I am passionate about building positive workplace culture through meaningful communication and well-organized internal activities. Experienced in cross-functional collaboration, content creation, and supporting internal operations to enhance employee experience and organizational efficiency.

A proactive, adaptable, and detail-oriented professional who is eager to contribute creative ideas, strong coordination skills, and positive energy to dynamic working environments.

WORK EXPERIENCE

HR - Admin | MOR Software JSC | Tan Binh

March, 2025 - Present

Employee Engagement & Internal Communications

- Organized and coordinated internal engagement activities to enhance employee experience and company culture (Internal Radio, Sharing Box,...)
- Hosted English Club sessions for employees and supported communication activities to encourage internal interaction.
- Planned and acted as MC for internal events, including company activities, celebrations, and employee engagement programs (Company Trip, Year-end Party, Happy hour,...)
- Coordinated with external agencies/vendors to organize company events such as Team Building and Year-End Party.
- Maintained and delivered internal announcements through company communication channels (Slack)
- Support preparing materials for internal training (online and offline)
- Support external communications (maintain social media channels, hold university tours,...)
- Apply AI (Canva, Capcut, ChatGPT, Gemini, Google NotebookLM) in helping with brainstorming, filing, and editing

HR Admin & Office Operations

- Managed office administration tasks including purchasing office supplies and maintaining pantry, beverages, and workplace facilities.
- Monitored office equipment conditions and proposed replacements or maintenance when necessary.
- Coordinated with vendors, suppliers, and internal accounting team regarding contracts, invoices, and payment documents.
- Worked directly with building management to handle office-related operational issues and facility support.
- Supported welcoming clients, preparing gifts, setting up meeting rooms, being in charge of dining reservations,...

IT Recruitment Support

- Supported IT recruitment process by screening CVs and checking candidates' English communication skills.
 - Introduced company culture, internal policies, and working environment to new employees during onboarding process.
 - Assisted TA team in recruitment coordination and candidate communication.
-

Internal Communications

- Brainstorming and holding internal events (monthly birthdays, Mid-Autumn Festival,...)
- Be in charge of internal announcements through emails and the company's internal platform.
- Create satisfaction surveys, synthesize, and report to the team leader.
- Support the General Affairs Department in purchasing and distributing goods to other branches.

Employer Branding

- Be responsible for branding activities (produce and manage content for the company's social media platforms (Facebook, TikTok, LinkedIn), keep track of these platforms' metrics).
- Manage content and brief design ideas for monthly Zalo, email marketing.
- Approach and take care of top talents having interests in social platforms.

Teaching Assistant | MEGA English, Binh Thanh District**Oct, 2022 - March, 2023**

- Use 100% English to support foreign teachers with in-class activities, and assist learners with speaking sessions.
